V. 閱讀測驗：請依句意選出最適當的一個答案，每題 4 分 (20%)

People used to think women were too weak to play sports. They thought women might get hurt when they ran or jumped. Some women thought this idea was wrong. They worked hard to become athletes. One of the first professional women athletes was Babe Didrikson Zaharias. When Babe was a teenager, she had a dream. She wanted to be a great athlete. In 1930 at age 19, Babe began to do track and field. In 1932 she competed in a national track and field meet. Babe won first place in five events and tied for first place in another event – all in three hours. Two weeks later Babe went to the Olympics. She competed in three events and won medals in all three. She was the only person to win running, throwing, and jumping events.

21. Which of the following statement is TRUE?
(A) Women are too weak to play sports.
(B) Women are too strong to play sports.
(C) Men are too strong to play sports.
(D) Women are strong enough to play sports.
