V. ㄚ讀測驗：請依句意選出最適當的一個答案，每題4分(20%)

New York is a city packed with world famous sights and great things to do. The Empire State Building, completed in 1931, has 102 floors and was the tallest building in the world for more than 40 years. Visitors can travel 320 meters up to the 86th floor observatory for an unforgettable view of Manhattan - on a clear day you can see up to 130 kilometers away. The enormous Metropolitan Museum of Art, the Met, was founded in 1870 and has one of the largest collections in the world - over two million works. The collection represent 5,000 years of world culture, with the Egyptian collection alone featuring 32 major galleries - including a whole temple. Next to the Met lies Central Park, a green oasis in downtown New York. This huge man-made park is four kilometers long and 800 meters wide. With 93 kilometer of walking path passing by lakes, ponds and fountains, it is very popular with both New Yorkers and tourists and receives over 20 million visitors every year.
